**Note**

If our planned meetings rely on fine weather and need to be cancelled due to inclement weather, the meeting will be held at the Scout Hall starting at 6.30pm, no matter what the scheduled start. Please ring me if there is any doubt about cancellation.

Cubs and Paraents are reminded that:

1. Our normal meeting starts at **6.30 pm SHARP**.
2. You must wear your **FULL UNIFORM** to each meeting unless otherwise advised.
3. It is important to bring your "**BE PREPARED**" items Yellow Book, Note paper and Pencil, Handkerchief, 50 cents and 2 Band-aids to each meeting. You never know when you MAY need them! (Best kept together in a resealable plastic bag).
4. We will be doing **BADGE WORK** throughout the term so if you miss a meeting you will need to catch up at another time. You can talk to me about making this arrangement.
5. Cubs working towards Achievement Badges or their Grey Wolf Award (10years old) you need to speak to myself or Rama for details, the earlier in the year the better. Some activities we will do as a group and others will need to be done at home.
6. Cubs are encouraged to attend District Events as attendance at these events counts toward your Boomerang Badges

**PARENT ROSTER**

Parents/Caregivers. Your assistance in helping run the meetings is greatly appreciated. If you are rostered on a particular night to assist and it is not convenient, could you please make arrangements to swap with another parent.
